**Help us compete at the Science Olympiad National Tournament**

**Lincoln, Nebraska – here we come!**

# Coolidge Middle School Science Olympiad Team

*Exploring the World of Science*

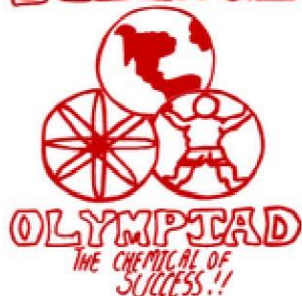

Please help support our trip to the National Tournament!

The Coolidge School Science Olympiad Team recently won the Massachusetts Championship for the twenty second time in twenty three years.

These middle school students have worked hard to prepare for their science and engineering events. They competed against more than 30 teams from across the Commonwealth, and earned first place overall by winning 9 Gold, 4 Silver, and 5 Bronze medals across twenty three events.

With this achievement comes the tremendous task of raising the funds to transport the team to the National Science Olympiad Tournament at the University of Nebraska – Lincoln on May 15<sup>th</sup>. The team depends on donations to purchase necessary materials and to cover all expenses. Please help these young scientists represent Massachusetts at the tournament this year by making a donation in any amount or dropping donated items at Coolidge during the specified times and dates. The entire team thanks you!
